President's Corner

with Mick Gill

Man, it has gotten hot all of a sudden, please remember to keep those hounds hydrated as well as yourselves. Luckily we have gotten rain periodically throughout, I pray that keeps up for habitat and field trial grounds purposes.

I want to inform everyone about some upcoming changes, we have made some slight rule modifications as well as clarifying some of the rules that just needed reworded. These changes/clarifications will not go into effect until the 2024 trial season. We also are adding a fourth trial this fall. This will be a points trial and will be held on December 2nd 2023. If all goes smoothly, going forward we will have 4 points trials in the spring and 4 points trials in the fall.

We will be having our trial grounds work day on 9/30/23. Our upcoming trial dates are as follows - 10/7/23, 10/21/23, 11/4/23, 12/2/23. I am working on our meeting schedule and will let you know about that asap. We will unfortunately not be able to have our youth outdoor expo this year. We got bogged down in the planning of this event and just did not get things together quick enough.

Be blessed and have a great summer.

TBDA President,
Mick Gill
