Greetings TBDA members,

We are well into our field trial season. The Doris Oler Memorial Field is providing excellent cover for the quail to hold tight and plenty of acres for the dogs to show off their bird finding ability. After two trials there is a tight race in the points standings for the Gun Dogs. The puppies are very competitive as well. Remember that we use the points standings at the end of the year to determine the Dog of the Year, Puppy of the Year, and Handler of the Year. We also use the points standings to select our team to run in the Gun Dog Championship trials. All of the standings are presented later in this Covey Rise.

We are back on track with our monthly meetings and the March meeting will be on Tuesday the 24th at Apple Barrel Cafe in Owasso. Start time is 6:30pm.

And remember, if you don't have a bird dog, get one!

See you in the field,

**Larry D. Naas
TBDA President**
